message
 ("no alternatives"?)

but see, even for Hittler - was US A-bomb necessity?
 (see DeBrie's Balance assumptions, or argument
 for deterring Bolsheviks (Kritics))

(Note: K don't mind bluffs!)

Once you accept "necessity" ^{of an attack (retal)} in some cases -
ask, need to delegate (to Pers; and by him...
 to keep went

(after "successes"?)

* Some is not to "judge th" (FOR) for not
 imagining & doing better - but to see if
 we can do better analogies!

(though note: participants, from WWI, did
 misjudge reaction to Hittler.)

What were they saying in 1930's? WHL?

Muscle? Gandhi? Einstein?
